

PVCC Athletics

Starting with the first athletic teams in 1995, the Paradise Valley Community College Athletic Program is in the 15th year of intercollegiate athletic competition. In that short time PUMA athletes have participated in and claimed several NJCAA National Team and Individual Championships.

The proceeds from this tournament will be used to provide tuition and text book scholarships to PVCC student-athletes.

At Paradise Valley CC the success of our student-athletes both on the field and in the classroom is the priority for our coaches, faculty and staff.

With your support we can make this goal a reality for our PUMAS!
