

Support Services for Student Athletes

- **Financial Aid**

Many sources of financial aid are available to students with financial need. In addition, the college also awards loans, which are not determined by financial need, and scholarships based on merit and achievement. Please apply for financial aid early to maximize your chances of receiving aid. Applications are available in January for students who will be attending classes beginning in the following Fall semester.

The Office of Student Financial Assistance is located in KSC-101 and can be reached at (602) 787-7100.

- **Counseling**

The Counseling Division staff provides a friendly, relaxed and confidential environment for you to discuss academic, personal, social or career issues and concerns. Students often talk to counselors about how to improve study skills, or how to deal with relationship issues, or concerns about anxiety or depression, as well as learning about using career inventories to select a major. The counseling staff also has information about a variety of community services and agencies and can help locate and refer you to these community resources. To schedule an appointment, call (602) 787-6540.

Counselors are available M-TH 8:00am - 7:00pm and
F 8:00am - 5:00pm.

Located in the Kranitz Student Center (KSC-177).

- **Library**

The library, located in the Learning Resources Complex: Building "E" (E-102), supports learning through its welcoming environment, instruction program, reference assistance and collection. Library instruction sessions are designed for students to learn the best approach to researching information for classes as well as personal pursuits. Library faculty are also available in the library, as well as 24/7 online, to assist with individual research. The library's collection consists of

books, DVDs, videotapes, CDs, audiotapes, journals, magazines and newspapers. In addition, the library provides access to various electronic resources including the Internet. There are individual and group study rooms, media viewing equipment and copy machines. For further information, call (602) 787-7200.

Library hours in semester are M-TH 7:00am - 9:30pm, F 7:00am - 5:00pm, and Sat 12:00pm - 4:00pm.

- **Computer Commons**

The Computer Commons, located in the Learning Resources Complex Bldg (E-137), provides support for PVCC student to complete PVCC course or campus related assignments. Students may use the computer lab on campus by registering for a non-credit computer lab section (NC 500/ 0001) and paying a \$15.00/ semester fee. A PVCC current student ID is required to use the lab. Also, students will need to complete a brief orientation on their first visit to the Commons. There is a fee for printing at the commons, students will need their Student ID in order to print.

Hours can be found on-line: www.pvc.maricopa.edu/cc/

- **PVCC Media Services**

PVCC Media Services provides advice and equipment support for student presentation use in the classroom. Production materials are available at student prices for overhead transparencies, posters, VHS tapes, DVDs and lamination. Students can feel free to go to Media Services and talk with one of the staff about a presentation or media need.

Media Service hours are M-TH 7:00am - 9:30pm, F 7:00am - 5:00pm, Sat 9:00am - 1:00pm.

- **Learning Support Center**

The LSC offers free tutoring and other learning support programs and services. Programs include the Math Lab, Language Lab, ESL conversation groups, and the Writing Cen-

You will also find study improvement materials in the areas of note taking, test taking, time management, vocabulary, reading textbooks, learning how to learn, and many others.

The PASS Program is housed in the LSC study group rooms.

Office hours: M-R 8:00am - 7:00pm, F 8:00am - 5:00pm and Sat 9:00am - 1:00pm.

For more information call (602) 787-7180 or visit them on-line: <http://www.pvc.maricopa.edu/lsc/>

- **Disability Resources Center– Student Development**

The Disability Resource Center provides information and services to students with any documented disability who are attending classes at PVCC. The center's trained staff assist with accessibility, auxiliary resources/aids, support services and reasonable accommodations to assist students in a successful college career. Disability information is kept strictly confidential.

Please call (602) 787-7171 for more information.
