Norma Chandler			
Paul Dale			
Palis is introducing diversity into ESL 097 (Fundamentals of Writing for English Language Learners) through a series of video clips, presentations and readings in which students will investigate the complexity of developing one's cultural identity.			
Ramirez is focusing on multiculturalism in her COM 100 (Introduction to Human Communication) course. Through team discussions and interactions, her goal is to help students learn the importance of listening by using inclusive language and how to effectively present their personal views.
