

To Submit Potential News Items

We encourage PVCC faculty, staff and students to submit story ideas they feel may be of interest to others outside the college. When you submit an idea, remember the 5 W's: Who, What, When, Where, Why. Answer these 5 W's and you provide us with a good start in developing the background and story pitches for our local media. Also, what makes the story unique or newsworthy? Is there any visual excitement to the story? Provide us with as much detail as possible and make sure you include a contact phone number and/or email where we can follow up with you should we have questions prior to releasing the information to the media. Please submit information directly to [news@pvmail.maricopa.edu] or use the online form: <http://www.pvc.maricopa.edu/news/submit.html> Pami and/or Rod will review requests that come into these mailboxes.

News requests or submissions do not guarantee publication.
The *media* ultimately decide who and what stories they will cover.
