

# RIP-MIX-BURN Your Research

## IFS101 Online: Information Skills in the Digital Age

- ✓ **Get better grades** – *in all your courses* – through superior critical thinking, comprehension, and academic performance;
- ✓ **Find better employment** with high-demand research skills;
- ✓ **Earn 3 ASU-transferable credits** @ PVCC prices;
- ✓ **Work smarter, not harder** by completing IFS101 coursework using assignments from other classes (2-for-1 efficiency);
- ✓ **Don't spend another dime on textbooks.** IFS 101 Online includes interactive, scholarly content from Library databases and credible websites directly embedded in your Blackboard page. The result? Easy access. Engaged learning. Zero cost . . . priceless!

Join faculty librarians Sheila Afnan-Manns and Kandice Mickelsen on a journey across the digital universe. Using assignments from other courses, *rip-mix-burn* your research by:

- ✓ **Defining** your topic with greater precision and nuance;
- ✓ **Finding** scholarly information efficiently with savvy search skills;
- ✓ **Evaluating** information quickly for relevancy and credibility;
- ✓ **Using** content ethically, without plagiarism or improper citations;
- ✓ **Articulating** the implications of censorship, free speech, privacy, copyright, and other information policies in a democratic society.

**RIP it. MIX it. BURN it.**

**Talk to your advisor and sign up today.**
