

## **AMERICORPS Project Ayuda**

### **Reasonable Accommodation**

Project Ayuda will provide reasonable accommodations for otherwise qualified members with known mental or physical disabilities, as long as the accommodation does not impose an undue hardship on Project Ayuda. It is up to the member to self-report any disabilities to the program. Accommodation will be based on the member's individual needs. All selections and project assignments will be made without regards to the need to provide reasonable accommodation. This policy governs all aspects of the program, including selection, placement assignment, compensation, and access to benefits and training.
